**Declaration of Chris Leger
Under 37 CFR 1.131**

Sir:

I, Chris Leger, inventor of the above referenced patent application, hereby declare as follows:

1. I and Tony Leger conceived of the invention claims in the above referenced patent application on or before January 28th, 2002, and we worked diligently in reducing the invention to practice, which was provisionally filed in September 2002.
2. I have documented the conception and development of some of the embodiments of the invention in an inventor's notebook which verifies the January 28th, 2002 date.
